

MEDWAY PARKS & PLAYGROUNDS PROJECT

JOINT HEARING OF THE SELECTMEN, CPC, & EPFRAC

Choate Park

Oakland Park

Cassidy Field

Medway Middle School

TONIGHT'S AGENDA

- Project Update & Schedule
- Proposed Master Plans Summary
- Recommended Phase 1 Improvements & Budget Range:
 - Choate Park and Cassidy Fields
 - Oakland Park
 - Medway Middle School
- Board & Committee Feedback & Recommendations

MEDWAY PARKS & PLAYGROUNDS **Design Schedule**

- **Public Meeting 1 (December 7th, 2016):** Present Project Summary, Site Analysis, and Precedents, gather community input, and develop program wish list to guide Schematic Designs for future meetings.
- **Public Meeting 2 (January 5th, 2017):** Present Master Plan Alternatives for each site based on first meeting input. Community review and discussion, with the goal of developing a Final Schematic Design Plan for each site.
- **Public Meeting 3 (January 26th):** Present proposed Schematic Design Plan for each park, including proposed features and site furnishings based on community discussion at Meeting 2. With community input, discuss project budgets, suggested scope and phasing, and prioritize strategy to maximize budget.
- **Joint CPC, Selectmen, & EPFRAC Presentation (February 6th):** Presentation of the Final Schematic Designs and proposed initial phase to the Community Preservation Committee & Selectmen for their review and comments.
- **Town Funding and Permitting Process (Mid-Spring):** EPFRAC, the BoS, and the CPC will determine what portions of the scope to construct at this time, apply for any applicable grants, and seek approval at Town Meeting. Meanwhile, CBA and our engineers will pursue any permitting needed (such as ConComm).
- **Construction Documents (Spring):** While the funding and permitting are being finalized, CBA will develop the Final Schematic Designs and suggested phasing into detailed Construction Documents suitable for bidding purposes. Final bid set timing will depend on funding and permit approvals.
- **Construction (Summer-Fall 2017):** The goal set by EPFRAC is to have the first phase of construction on the park renovations completed by late fall 2017. Future phases of work will be prioritized as funding permits.
